Global Vision, Mission & Core Beliefs

OUR CORNERSTONE SCRIPTURE

“But seek first his kingdom and his righteousness, and all these things will be given to you as well.” Matthew 6:33 NIV

Vision

“To equip our students across the globe with skills to help people live better lives!”

Mission

- Creating an environment that draws out the “great cause God placed within you” and incites it to manifest, through classes, training programs, seminars, actual and digital communications, conferences, keynotes and materials.
- Presenting training that inspires and motivates our students to experience transformed lives from the inside out, equipping them to help others do likewise.
- Inviting every member of our community to get involved in serving others.
- Encouraging and educating our students and clients to pursue growth, health and wholeness in every area of their lives.

Core Beliefs

- God loves and values each person individually, greatly and equally.
- Growth accelerates via teaching, coaching, mentoring and positive role models.
- Families, life and freedom of expression are sacred.
- God has endowed every person with Spiritual Gifts.
- We maintain a spirit of gratitude and the heart of a giver.
- When we receive Christ as our Savior, the Holy Spirit come to reside inside each one of us to counsel, comfort, lead, inspire, impart wisdom, healing revelation and more.
- Involvement in helping others on our plans is our privilege and obligation rather than an option.
- What we receive from God is in direct proportion to what we are willing to believe for.
- When God can move abundance through you, He will move it to you.
- As a baseline, the way we live our own lives serves as a greater inspiration to others than our words, so we should never act in a way to make others question their faith or ours.
- God is our limitless source and supply. We are able because He is able.
