To begin, complete your enrollment form at <https://pccca.org/begin/>

IMPORTANT: READ BEFORE ENROLLING:

Please watch all 4 videos from beginning to end. You will learn a lot and most of your questions will be answered. There is also a Q & A document waiting for you near the bottom of Video 4 that contains certain information which may vary over time, such as the tuition and procedures. Hence it was put in a document. We want to make sure you receive the most current tuition, enrollment and credentialing information.

Please pray before you enroll. Promise God that you will give it your all and seek Him if you ever doubt or become insecure. The enemy may use some of his typical delay or discouragement tactics. This happens any time a believer is on track to do God's will. It's normal. Just press forward and stay on your training path, no matter what. When the enemy sees he can't get the best of you, things will get much easier.

GOD NEEDS YOU! And His people need you. Trust Him when He says He will never leave you nor forsake you. He's got you.
